# REPAINTING WORKS

1976

5 employees. 2 welders. 1 mission:  
Build The Best Bikes In The World.

### Today

Trek has added to that mission: Help the world utilize the bicycle as a simple solution to complex problems.

It's the most efficient form of human transportation. It can combat climate change, congestion, and build human fitness. It brings us together, yet allows us to escape. And it takes us places we would never see any other way.

Trek. We Believe in Bikes.
