第一家食品大厦

TEE YIH JIA

A worker wearing a yellow hard hat, a white long-sleeved shirt, and a safety harness is standing on a blue lift. The worker is using a high-pressure water spray to clean a tiled wall. The wall is made of dark grey rectangular tiles. In the background, there is a multi-story building with windows and a sign that reads "興樓" (Xing Lou) in red characters. The worker is positioned in a narrow alleyway between two tiled walls. The scene is brightly lit, suggesting it is daytime.

We Deliver: when no
one else is looking.

We treat all elevations of the building
equally. Even the areas where is not
visible to public.

Making major progress
in your direction.

Keeping you well informed of solution to your building problems.

PERFORMANCE
AT OUR FINGERTIPS.

第一家食品大厦

Taking aspiration to a higher level.

Another elevation another vessel.

 TEE YIH JIA FOOD BUILDING

NON-CONFORMIST
BUT EXTREMELY PERSISTENT.

Leads the way
when others have come to a standstill.
